Date	Name	Address	State	Phone	Partner	Impact Job #	Repair Summary	Cost of Work	Contractor
01/27/15	[redacted]	[redacted]	MD	[redacted]	City of Baltimore	690345	Current customer, has internal Plumbing & Drainage Plan. Had no water for some long period of time in all areas of the home except the kitchen sink. The kitchen sink was used for all water needs. The home is in poor condition and the customer has no funds to assist with repair solutions. Full IP&D internal benefit of $2500 was used for one service call to do as much work as possible to repair coverable items. HS Cares used to cover $1550.00 for tub, shower, handicap toilet, vanity top and faucet, waste and overflow.	$1,550.00	
04/02/15	[redacted]	[redacted]	MD	[redacted]	City of Baltimore	745017	Leak 2" under cement walkway right in front of the home was repaired and the water turned back .Prime Plumbing aloso made a few minor repairs that needed attention upon turning the water back on. The first item they repaired was a leaking saddle valve, second item was a kitchen drain that was leaking at several joints, third item was they snaked the main drain that was clogged	$1,465.00	Prime Plumbing
